COMMODORE'S REPORT

Fall is in the air and boy did it come quickly. Shannon and I just got back from a couple hundred mile trip to the San Juan's which ended up being quite different then the years past. I like change and the challenges that life throws, especially when boating. That is NOT the case with my first mate! It got a bit nautical on our way up to Port Townsend, 5 knot incoming tide and 30 plus winds from the south, the Shannon Lee was put thru a test but did very well, though salty she stepped up to the challenge.

It's official, one and done, first person who visited our Shannon Lee made an offer and she is moving on. Survey is next week shortly following that she will be responsible for taking a family of three safely onto their next voyages and creating memories for her new owners. Shannon and I regretfully won't be attending the October cruise and the following week we leave for Australia missing the November meeting. I am sorry for being so absent lately. Once we get caught up our plan is reapplying for our membership at FYC, hopefully you'll have us back! I want to thank you Toni and Britney for all their help while Shannon and I have been unavailable, I look forward to seeing everyone soon!

VICE COMMODORE'S REPORT

Such a great summer! But what a glorious fall day Oct 1 is! It's been great to hear about everyone's various vacation experiences. Our members were all over the world this year! So many of you toured the San Juan's, occasionally meeting up at random locations! What fun! Harry says next year. Yay, been too long for us.

The bridge is often contacted by other boaters that have met our members on the docks. Most stories are positive, thank goodness! We met some folks at Jarrell Cove that were at Longbranch during the Kid's Cruise. They shared how much they enjoyed seeing the kids having fun together and commented how well behaved they were! That's good news when there's that many kids (walking, not running!) on the dock.

Always good to remember that we are all ambassadors of the Fircrest Yacht Club and as such to leave a positive footprint in all ways and at all times. It reflects on us all.

Hope to see you soon. Toni

Fall Harvest Fest Cruise Report By Kim Weaver & Robyn Enders

Thanks to all who attended FYC's very first Fall Harvest Cruise October $4^{th} - 6^{th}$. 7 boats attended and Drew and Kristi Haas brought Bruce and Libby Whittmann along for the fun.

Friday night was the usual heavy hors d'ourves and Saturday was when the fun really began! Several people hopped on the buses that were provided to go on the KP Farm Tour. Unfortunately – I was under the weather so I hung around the marina while others toured.

Later in the afternoon the ladies in attendance crafted fall wreaths!

Robyn Enders made a wonderful fall Sangria that we all drank as well as the amazing beef bourguignon and pumpkin muffins we had for dinner.

This is a great new cruise I will look forward to attending again!

Kim Weaver
